Since 30<sup>th</sup> November 2021, you must wear a mask inside the church and there are no other restrictions at our church and everything is allowed as per normal.

**Please strictly follow the guidelines because if you break the law somebody could inform the authorities and issue a hefty fine to the church and yourself of at least £200 and up to £6,400 to each party involved.**

Please follow the orders from our Church Committee faithfully about where you shall wait, where you shall enter and how you shall exit from the Church.

The Clergy and Committees thank you in advance for your co-operation and consideration during these difficult times.

May God bless, guide and protect you and your families at these difficult and uncertain times we are living in.

We hope to see you soon with your families at our church.

We wish you a blessed Advent, a happy Christmas and a happy and healthy new year 2022.

With best wishes
