

Location of Our Church

Our church is located on Kentish Lane (B158) at the junction with Woodfield Lane as indicated in the map below.

If you use our postcode (AL9 6NG) in your satellite navigation system, it will leave you at the beginning of Kentish Lane. The approximate GPS coordinates of our church are "51.736625, -0.165696" (latitude and longitude respectively).

When turning off Great North Road (A1000) into Kentish Lane, you need to continue straight for exactly 1 mile and you will find the church on your right hand side. If you approach the church from Woodfield Lane, we are at the junction of Kentish Lane and Woodfield Lane.

The nearest National Rail stations to us are Potters Bar (Darkes Lane, Potters Bar, EN6 1AJ) and Brookmans Park (Station Road, Hatfield, AL9 7SS). We are approximately 3 miles away from each station but you will need to take a taxi from either station to get to us. Potters Bar offers more options for local taxis, so you are advised to use this station instead of Brookmans Park.

Parking

Parking is available within the grounds of the church for all services. The car parking areas are clearly labelled and there is capacity for approximately 200 cars. The larger parking area is available on your right hand side immediately after passing the church (if you have turned off Great North Road into Kentish Lane). Please use this area to avoid congestion in the smaller parking area in front of the church.
